

CELEMI: AGILE MOVE

Align, Act and Adapt - CELEMI Agile Move is useful for organization that want to improve and thrive in today's ever-changing marketplace. Participants work in teams to explore and develop an agile mindset. This digital business simulation is set in a fictitious company dealing with the typical operational, strategic and leadership challenges that many companies are facing today.

Participants work through the challenges and discuss and agree on which route to take-and get instant feedback on how well their decision align with agile principles. In short, CELEMI Agile move helps your organization move through the transformation you need to meet the challenges of today's ambiguous, ever-changing world.

WHAT YOUR PEOPLE WILL LEARN

- Develop a big-picture understanding of agile-independent of which agile method is used.
- Understand the when and why of agile thinking.
- Develop an agile mindset which contributes to:
 1. Better ability to react to market changes
 2. Increased effectiveness
 3. Lower cost of development
 4. Shorter time to market
 5. New products that solve real customer needs
 6. Increased customer satisfaction
- Established a common frame of reference.
