

CELEMI SUSTAINABILITY

**BRILLIANT KNOWLEDGE
ENTERPRISE**

We decided to up the tempo for 2022 though, as we proudly launch two new powerful business simulations designed to **help people understand sustainability and start driving the right changes.**

We also understand that thriving as a sustainable business requires all the skills associated with business acumen and helping people align, change and succeed. Perhaps you are facing some of these challenges? If so, we welcome you to get in touch with our consultants and discuss how we can support you to **Make Change Happen.**

People, Planet, Profit - CELEMI Sustainability is useful because the participants get to experience the greatest challenge in business today by stepping into the driver's seat of a sustainability transformation.

WHAT YOUR PEOPLE WILL LEARN

- Prioritizing change initiatives with a limited budget
- Impact on people, planet and profit - across the whole value chain
- Expectations of customers, employees and society
- Finding synergies to succeed against several measures
- Balancing short-term and long-term targets
- Risks with making the transformation - or delaying it

Methods of Delivery

Board-based business simulation. (Face-to-face)
Online Log-In Credentials. (Online)

Participant

All leaders and employees who can engage in or influence sustainability.

Time Required

1 Day
